REQUEST FOR REFUND (37 C.F.R. 1.26 & 1.28)

Dear Sir:

1. Small Entity Statement:

Patentee (Leste Co., Ltd.) claims the small entity status under 37 CFR 1.27. It is further noted that, when paying the issue fee on July 12, 2005, Patentee duly claimed its small entity status and requested to correct the incorrect entity record of the U.S. Patent and Trademark Office. See the enclosed Communication and Fee Transmittal submitted on July 12, 2005. The small entity status has never been changed, and correction of the entity status (to a small entity) is re-requested.

2. Refund Request:

The request for refund is made within two years of the payment of the first maintenance fee, which we paid on April 9, 2009 with a credit card in the amount of \$980.00 (a copy of the Maintenance Fee Statement enclosed).

Based on establishment of small entity, we request a refund of one half of the first maintenance fee paid in the amount of \$980.00, namely, \$490.00.

3. Preferable Method for Refund: Refund by a credit to the credit card account to which the fee was charged; or Refund by check payable to "Park & Associates IP Law LLC" who paid the maintenance fee at issue with authorization by Patentee.

Respectfully submitted,

September 25, 2009
